

20A-7-202.5 Initial fiscal impact estimate -- Preparation of estimate -- Challenge to estimate.

- (1) Within three working days of receipt of an application for an initiative petition, the lieutenant governor shall submit a copy of the application to the Governor's Office of Management and Budget.
- (2)
 - (a) The Governor's Office of Management and Budget shall prepare an unbiased, good faith estimate of the fiscal impact of the law proposed by the initiative that contains:
 - (i) a dollar amount representing the total estimated fiscal impact of the proposed law;
 - (ii) if the proposed law would increase or decrease taxes, a dollar amount representing the total estimated increase or decrease for each type of tax affected under the proposed law and a dollar amount representing the total estimated increase or decrease in taxes under the proposed law;
 - (iii) if the proposed law would result in the issuance or a change in the status of bonds, notes, or other debt instruments, a dollar amount representing the total estimated increase or decrease in public debt under the proposed law;
 - (iv) a listing of all sources of funding for the estimated costs associated with the proposed law showing each source of funding and the percentage of total funding provided from each source;
 - (v) a dollar amount representing the estimated costs or savings, if any, to state and local government entities under the proposed law; and
 - (vi) a concise explanation, not exceeding 100 words, of the above information and of the estimated fiscal impact, if any, under the proposed law.
 - (b)
 - (i) If the proposed law is estimated to have no fiscal impact, the Governor's Office of Management and Budget shall include a summary statement in the initial fiscal impact statement in substantially the following form:

"The Governor's Office of Management and Budget estimates that the law proposed by this initiative would have no significant fiscal impact and would not result in either an increase or decrease in taxes or debt."
 - (ii) If the proposed law is estimated to have a fiscal impact, the Governor's Office of Management and Budget shall include a summary statement in the initial fiscal impact estimate in substantially the following form:

"The Governor's Office of Management and Budget estimates that the law proposed by this initiative would result in a total fiscal expense/savings of \$_____, which includes a (type of tax or taxes) tax increase/decrease of \$_____ and a \$_____ increase/decrease in state debt."
 - (iii) If the estimated fiscal impact of the proposed law is highly variable or is otherwise difficult to reasonably express in a summary statement, the Governor's Office of Management and Budget may include in the summary statement a brief explanation that identifies those factors affecting the variability or difficulty of the estimate.
- (3) The Governor's Office of Management and Budget shall prepare an unbiased, good faith estimate of the cost of printing and distributing information related to the initiative petition in:
 - (a) the voter information pamphlet as required by Title 20A, Chapter 7, Part 7, Voter Information Pamphlet; or
 - (b) the newspaper, as required by Section 20A-7-702.
- (4) Within 25 calendar days from the date that the lieutenant governor delivers a copy of the application, the Governor's Office of Management and Budget shall:
 - (a) deliver a copy of the initial fiscal impact estimate to the lieutenant governor's office; and

- (b) mail a copy of the initial fiscal impact estimate to the first five sponsors named in the initiative application.
- (5)
- (a)
 - (i) Three or more of the sponsors of the petition may, within 20 calendar days of the date of delivery of the initial fiscal impact estimate to the lieutenant governor's office, file a petition with the Supreme Court, alleging that the initial fiscal impact estimate, taken as a whole, is an inaccurate estimate of the fiscal impact of the initiative.
 - (ii) After receipt of the appeal, the Supreme Court shall direct the lieutenant governor to send notice of the petition to:
 - (A) any person or group that has filed an argument with the lieutenant governor's office for or against the measure that is the subject of the challenge; and
 - (B) any political issues committee established under Section 20A-11-801 that has filed written or electronic notice with the lieutenant governor that identifies the name, mailing or email address, and telephone number of the person designated to receive notice about any issues relating to the initiative.
 - (b)
 - (i) There is a presumption that the initial fiscal impact estimate prepared by the Governor's Office of Management and Budget is based upon reasonable assumptions, uses reasonable data, and applies accepted analytical methods to present the estimated fiscal impact of the initiative.
 - (ii) The Supreme Court may not revise the contents of, or direct the revision of, the initial fiscal impact estimate unless the plaintiffs rebut the presumption by clear and convincing evidence that establishes that the initial fiscal estimate, taken as a whole, is an inaccurate statement of the estimated fiscal impact of the initiative.
 - (iii) The Supreme Court may refer an issue related to the initial fiscal impact estimate to a master to examine the issue and make a report in accordance with Utah Rules of Civil Procedure, Rule 53.
 - (c) The Supreme Court shall certify to the lieutenant governor a fiscal impact estimate for the measure that meets the requirements of this section.
